

## RECOGNIZE A TEAM MEMBER WITH A "MITZVAH" GRAM

**Mitzvah Gram** (Hebrew word for "good deed") is the Jewish HomeLife way of recognizing good deeds when one of our team members goes "above and beyond" for a resident or family. They provide a formal way to thank a member of our team and show your appreciation for his or her hard work.

Please provide a brief description of the Mitzvah and your personal message of thanks. The team member(s) will receive a copy of the Mitzvah Gram. They will also receive points toward our Employee Recognition Awards program.

Positive feedback means so much to our team. Thank you for taking the time to tell us about an experience that was meaningful to you or your family member.
