

## 70TH ANNIVERSARY OF THE WILLIAM BREMAN JEWISH HOME

As you know, this year The Home celebrates 70 years of caring for older adults with compassion and dignity. These last 19 months have presented many challenges, yet we were optimistic that by November we could gather to celebrate the leaders, volunteers and supporters who made our founders' dream a reality.

However, after much thought and consultation with The Home's medical advisors, we have made the difficult decision to cancel our in-person Gala November 7. We share your disappointment; but in this moment we are confident this is the correct and best course of action to ensure the health and safety of our guests.

We still want to celebrate our milestone birthday and to thank YOU, our donors, for the incredible support you have given us, now and throughout our history. **Therefore, we invite you to participate in a "Drive By" at our Howell Mill Campus on the afternoon of November 7th where we will celebrate you and our 70 years in a most creative and "sweet" way!**

Details will follow shortly. Thank you for your dedication, your support and your understanding. Your sponsorship commitment helps ensure that we continue to provide first-class care to all of our residents, clients and families.

As our Past Presidents, Frank Garson and Meyer Balser, said, "the dream has come true, the maintenance is up to you". We have dreamed, maintained and thrived. We look forward to the next 70 years.
